

2005 – 2006 Computer Science Lab Donations

In an effort to keep our computer lab running, we are requesting a \$35/semester lab donation. The donations are used to meet the software and hardware needs of the lab as well as alleviate the costs associated with repair and maintenance of all the equipment.

Thank you for your help. If you have any questions, please email me at smorris@mvhigh.net.

Sincerely,

Sean Morris
Computer Science
